Importance: High

Yesterday, we had a meeting with Crafted and the promoter/organizer of the Porsche event, Luftgekuhlt, happening on Sunday, May 7, 2017. The event is expecting an attendance of about 2500 people and they have requested to use the Overflow parking lot at 22nd Street and Miner and rented from us the parking lot in front of Crafted and Brouwerij West. They have given Cabrillo Way Marina Parking Lot a heads up that some people may end up parking there as well.

Now since, this is the same weekend as Cinco De Mayo and Mexican Mother's Day, we are expecting it to be a really packed weekend at POC as well. Jose requested 4 Port Police Officers for their event from 5AM to 11AM to direct traffic flow to these parking lots during the lunch/event rush. Rica also told Port Police to open up SSA Fruit Terminal for parking availability as well, if we have parking shortage.

Here is the website for the event.

Augie,

Could you please reach out to Lorena to move the trolley stop on the day of the event, May 7, from Crafted to the old red trolley terminal parking lot for people who are using the overflow parking lot to go to POC? Staff and Crafted is requesting this from PBID.

Theresa,

Does Community Relations have any port-a-potties that can be placed at the Cabrillo Way Marina Parking Lot and SSA Fruit Terminal parking lot on that day?

Thank you,

Vivien
